Segment assets and liabilities

As certain assets and liabilities are deployed interchangeably across segments, it is not practically possible to allocate those assets and liabilities to each segment. Hence, the details of assets and liabilities have not been disclosed in the above table.

- The above financial results are prepared in accordance with the Indian Accounting Standard prescribed under section 133 of the Companies Act, 2013 and are in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).
- The National Pharmaceutical Pricing Authority ("NPPA") issued several demand notices on the Company - alleging overcharging regarding scheduled drugs under the Drugs (Prices Control) Orders - 1995 & 2013. The NPPA in its public disclosure has stated the total demand amount against the Company to be ₹ 3,707 Crores.

The above includes demand notices raised by the NPPA under the matter filed by the Company challenging inclusion of its 4 bulk drugs viz. Salbutamol, Theophylline, Ciprofloxacin and Norfloxacin ("Subject Drugs") in the First Schedule of Drugs (Prices Control) Order, 1995 ("1995 DPCO"). During the years 1999 and 2000, the Company filed 3 writ petitions before the Hon'ble Bombay High Court ("Bombay HC") challenging inclusion of Subject Drugs in the First Schedule of 1995 DPCO and also challenging the demand notices issued by NPPA demanding payment of purported overcharged amounts. It is the Company's case that the Subject Drugs have been included in the First Schedule of the 1995 DPCO not in conformity with the criteria for inclusion stipulated in the 1994 Drug Policy.

On 31st August, 2001, by way of its common judgment, the Bombay HC decided the writ petitions in favor of the Company, thereby holding that the Subject Drugs do not fall within the purview of DPCO 1995 and also quashed the demand notices raised by NPPA. The said order allowing the writ petitions, was subsequently set aside by Hon'ble Supreme Court ("SC") on 1st August, 2003 and the writ petitions were restored for being considered afresh by the Bombay HC. Pertinently, the SC, inter alia, imposed the burden on the Company to make out its challenge by furnishing all the relevant material within its reach and knowledge. Further, the SC stayed recovery of 50% of the "overcharged" amounts subject to payment of the remaining 50% of the "overcharged" amounts pending fresh determination by the Bombay HC.

Accordingly, in terms of SC's Judgment the Company paid to the NPPA an amount of ₹ 175.08 Crores, representing 50% of the alleged overcharged amounts in respect of the Subject Drugs against demand notices raised till 2003. Meanwhile, in compliance of directions of SC in the Judgment dated 1st August 2003, the Company also attempted to gather and collect requisite data as directed and sought to place on record the facts and material in relation to such efforts by amending the respective writ petitions through the amendment applications. The proposed amendments also sought to put on record before the Bombay HC demand notices issued subsequent to the Judgment dated 1st August, 2003, and levied challenges on various grounds including inter alia the fact that the quantum of the entire set of demand notices were erroneous, arbitrary and contrary to law.

Further, the Company has received certain communications, relating to few of these cases from the NPPA informing of true-up of alleged overcharge and interest amounting to ₹ 371.21 Crores for the residual periods between the date of the earlier notices till date determined by the NPPA, not being later than the commencement of the new DPCO, 2013. These matters are already sub-judice and subject to the stays issued by the Hon'ble Courts. In 2019, the Company applied to the Bombay HC to amend its pleadings to include: (i) demand notices received by it, after deposit of ₹ 175.08 Crores ("the Subsequent Demands") (ii) deduction of trade margin of 16% from outstanding demands (as having not accrued to the Company, as manufacturer) basis the Allahabad HC's TC Healthcare judgment (iii) to take on record the Government of India's RTI response on unavailability of any records pertinent to and what should have been the basis for inclusion of the Four Drugs under DPCO, 1995 price control and (iv) re-calculation of interest from date of non-payment of demand as stated in each demand.

The Bombay HC vide order dated 23rd February, 2024 directed that the Company may amend the pleadings as stated above, upon it depositing 50% of the Subsequent Demands. The Company appealed the Bombay HC order in a special leave petition before the SC and on 19th April, 2024 the SC was pleased to issue notice in the said matter. The Company has been legally advised that it has a substantially strong case on the merits of the matter and therefore no provision is considered necessary in respect of the demand notices received till date concerning the said matter.

Further, the Company carries provision of ₹ 145.73 Crores as at 31st March, 2024 for provisions not part of the referenced writ proceedings.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Statement section of our report. We are independent of the Group and its associates, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us together with the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 12 of the Other Matter section below, is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Statement

4. The Statement, which is the responsibility of the Holding Company's management and has been approved by the Holding Company's Board of Directors, has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors is responsible for the preparation and presentation of the Statement that gives a true and fair view of the consolidated net profit or loss and other comprehensive income, and other financial information of the Group including its associates in accordance with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of the Statement. Further, in terms of the provisions of the Act, the respective Board of Directors of the companies included in the Group and its associates, covered under the Act, are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the Group, and its associates, and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively, for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results, that give a true and fair view and are free from material misstatement, whether due to fraud or error. Cipla Limited

Independent Auditor's Report on Consolidated Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

Auditor's Responsibilities for the Audit of the Statement

7. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act will always detect a material misstatement, when it exists. Misstatements can arise from fraud or error, and are considered material if, individually, or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.
8. As part of an audit in accordance with the Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors;
 - Conclude on the appropriateness of Board of Directors's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates, to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation; and
 - Obtain sufficient appropriate audit evidence regarding the financial statement / financial information of the entities within the Group and its associates, to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Statement, of which we are the independent auditors. For the other entities included in the Statement, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Cipla Limited

9. We communicate with those charged with governance of the Holding Company and such other entities included in the Statement, of which we are the independent auditors, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
11. We also performed procedures in accordance with SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019, issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

We have audited these conversion adjustments made by the Holding Company's management. Our opinion, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and an associate, is based on the audit report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion, in so far as it relates to the amounts and disclosures included in respect of aforesaid associates, is based solely on such unaudited financial information. In our opinion, and according to the information and explanations given to us by the management, these financial information are not material to the Group.

Our opinion is not modified in respect of this matter with respect to our reliance on the financial information reviewed by the Board of Directors and certified by the Holding Company's management.

14. 2. The National Pharmaceutical Pricing Authority ("NPPA") issued several demand notices on the Company - alleging overcharging regarding scheduled drugs under the Drugs (Prices Control) Orders – 1995 & 2013. The NPPA in its public disclosure has stated the total demand amount against the Company to be ₹ 3,707 Crores.

The above includes demand notices raised by the NPPA under the matter filed by the Company challenging inclusion of its 4 bulk drugs viz. Salbutamol, Theophylline, Ciprofloxacin and Norfloxacin ("Subject Drugs") in the First Schedule of Drugs (Prices Control) Order, 1995 ("1995 DPCO"). During the years 1999 and 2000, the Company filed 3 writ petitions before the Hon'ble Bombay High Court ("Bombay HC") challenging inclusion of Subject Drugs in the First Schedule of 1995 DPCO and also challenging the demand notices issued by NPPA demanding payment of purported overcharged amounts. It is the Company's case that the Subject Drugs have been included in the First Schedule of the 1995 DPCO not in conformity with the criteria for inclusion stipulated in the 1994 Drug Policy.

On 31st August, 2001, by way of its common judgment, the Bombay HC decided the writ petitions in favor of the Company, thereby holding that the Subject Drugs do not fall within the purview of DPCO 1995 and also quashed the demand notices raised by NPPA. The said order allowing the writ petitions, was subsequently set aside by Hon'ble Supreme Court ("SC") on 1st August, 2003 and the writ petitions were restored for being considered afresh by the Bombay HC. Pertinently, the SC, inter alia, imposed the burden on the Company to make out its challenge by furnishing all the relevant material within its reach and knowledge. Further, the SC stayed recovery of 50% of the "overcharged" amounts subject to payment of the remaining 50% of the "overcharged" amounts pending fresh determination by the Bombay HC.

Accordingly, in terms of SC's Judgment the Company paid to the NPPA an amount of ₹ 175.08 Crores, representing 50% of the alleged overcharged amounts in respect of the Subject Drugs against demand notices raised till 2003.

Meanwhile, in compliance of directions of SC in the Judgment dated 1st August 2003, the Company also attempted to gather and collect requisite data as directed and sought to place on record the facts and material in relation to such efforts by amending the respective writ petitions through the amendment applications. The proposed amendments also sought to put on record before the Bombay HC demand notices issued subsequent to the Judgment dated 1st August, 2003, and levied challenges on various grounds including inter alia the fact that the quantum of the entire set of demand notices were erroneous, arbitrary and contrary to law.

Further, the Company has received certain communications, relating to few of these cases from the NPPA informing of true-up of alleged overcharge and interest amounting to ₹ 371.21 Crores for the residual periods between the date of the earlier notices till date determined by the NPPA, not being later than the commencement of the new DPCO, 2013. These matters are already sub-judice and subject to the stays issued by the Hon'ble Courts.

In 2019, the Company applied to the Bombay HC to amend its pleadings to include: (i) demand notices received by it, after deposit of ₹ 175.08 Crores ("the Subsequent Demands") (ii) deduction of trade margin of 16% from outstanding demands (as having not accrued to the Company, as manufacturer) basis the Allahabad HC's TC Healthcare judgment (iii) to take on record the Government of India's RTI response on unavailability of any records pertinent to and what should have been the basis for inclusion of the Four Drugs under DPCO, 1995 price control and (iv) re-calculation of interest from date of non-payment of demand as stated in each demand.

The Bombay HC vide order dated 23rd February, 2024 directed that the Company may amend the pleadings as stated above, upon it depositing 50% of the Subsequent Demands. The Company appealed the Bombay HC order in a special leave petition before the SC and on 19th April, 2024 the SC was pleased to issue notice in the said matter.

The Company has been legally advised that it has a substantially strong case on the merits of the matter and therefore no provision is considered necessary in respect of the demand notices received till date concerning the said matter.

Further, the Company carries provision of ₹ 80.78 Crores as at 31st March, 2024 for products not part of the referenced writ proceedings.

3. The paid-up equity share capital stands increased to ₹ 161.47 Crores (80,73,67,062 equity shares of face value ₹ 2 each) upon allotment of 9,910 equity shares and 6,754 equity shares of ₹ 2 each pursuant to "ESOS 2013-A" and "Cipla ESAR Scheme 2021" respectively during the quarter ended 31st March, 2024.
4. The figures for the quarter ended 31st March, 2024 and 31st March, 2023 are the balancing figures between the audited figures in respect of the full financial year and the unaudited published figures up to nine months of the relevant financial year.
